

HOUSE BILL 148

By Dean

AN ACT to amend Tennessee Code Annotated, Title 39, Chapter 16, Part 6; Title 39, Chapter 17, Part 1 and Title 47, Chapter 18, Part 1, relative to radar detection and jamming devices

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 39-17-113, is amended by designating the existing language of subsection (c) as (c)(1) and by adding the following new (c)(2):

(c) A violation of this section also constitutes an unfair or deceptive trade practice under the Tennessee Consumer Protection Act of 1977, codified in title 47, chapter 18, and all civil remedies provided in that chapter may be pursued for a violation of this section.

SECTION 2. Tennessee Code Annotated, Section 47-18-104, is amended by adding the following new appropriately numbered subdivision to subsection (b):

( ) Advertising that the seller or lessor of a device designed to detect or interfere with a radar, laser or other device used to measure the speed of motor vehicles will pay or offer to pay a motor vehicle traffic citation in violation of § 39-17-113;

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
